

Ishtar - Evolution #4039

Finds: discovery date: add a new TAQ field

03/26/2018 13:21 - Valérie-Emma Leroux

Status:	Résolu	Start date:	03/26/2018
Priority:	Normal	Due date:	
Assignee:	Étienne Loks	% Done:	0%
Category:	DB	Estimated time:	0.00 hour
Target version:	2.1		
Difficulté:			
Description			
To allow dealing with non-accurate dates (for example, when you've only got the year or worse, a range of several years), we need two dates fields, a TAQ and a TPQ. If it's an accurate date, filling only one field is sufficient.
